A MESSAGE FROM THE OWNERS

Dear Caregivers,

As we close out the year, we want to take a moment to express our heartfelt gratitude to each of you. Your dedication, compassion, and professionalism have made a profound impact on the lives of our clients and their families.

Together, we've faced challenges, celebrated milestones, and built a community rooted in respect, kindness, and teamwork. Your unwavering commitment to providing exceptional care reflects the heart of Essential Care's mission, and we couldn't be prouder of the work we've accomplished together.

Thank you for showing compassion to our clients, supporting one another, and exemplifying what it means to truly care. You are the backbone of our organization, and your efforts do not go unnoticed.

Wishing you and your loved ones a joyful holiday season and a new year filled with health, happiness, and success.

With deepest gratitude,

Todd Newman & Brenda Olsen

Caregivers of the Month

What a great time of year to celebrate two outstanding caregivers! These two caregivers stand out to us due to their commitment, kindness, dependability, and positive attitudes! Not only do they exemplify the core values on every shift, they also encompass the mission statement, which is Preserving Dignity Through Quality Care. We know they provide great care for their clients, are kind and respectful to others, and know and do their job well every day.

Claudia Sleet has been with Essential Care for 11 years! She is always smiling, is kind and thoughtful with her co-workers and represents us well. She will fill in on an emergency basis and help her co-workers by covering them. She has worked with the same client on night shifts for many years; we know she will show up! We know Claudia will talk and sing to her client at night to help her sleep. We are grateful for her dedication! Her client and their family are very grateful for her and her hard work. Thank you Claudia!

Love Joy has been with us for 10 months. She has been a constant, dedicated caregiver for her client. Love jumped right in to care for our new client, and has been caring for her since she started. She took initiative to learn about her client, learned the best way to care for her and to help with her care needs. Love will communicate well with the office, will adjust things when necessary and show respect to all. Her client thinks she is great! We are so grateful for Love! Thank you!

HAPPY BIRTHDAY
