YOUR CAREGIVER SOLUTION

FEBRUARY 2025

VOL 5, ISSUE 2

FOCUS OF THE MONTH : DO THE RIGHT THING

THE FIVE CORE VALUES

Happy February everyone!

I wanted to take a moment to remind everyone that one of the requirements to get a raise is you must have all FIVE of the core values memorized. Here they are:

Own It

Work Together

Have Compassion

Be Smart

Do The Right Thing

These core values are on the caregiver dashboard and also on your lanyard for your badge. Please be sure to memorize them and review them before your 90 day and annual evaluations with Denise.

Happy Birthday

Caregivers of the Month

Trustworthy has been defined as deserving of trust or confidence, dependable and reliable. A couple of synonyms are honorable, honest, true. Integrity as a firm adherence to a code of especially moral values. These are two of the characteristics that we highly value with the Core Value: Do the Right Thing.

We would like to shout out two caregivers who carry this Core Value with them to every shift: Sharon Peet and Season Kary. We can rely on them to be on their scheduled shifts, care for their clients with quality care and follow protocols for taking notes, clocking in and out and working with others.

Sharon has been with Essential Care for about 3.5 months. She is aware of the clients care plans, medicine, family members and takes meticulous notes. She is always professional, kind, knowledgeable and caring. We can always trust her to do the right thing! She works currently with a client that needs constant eyes on her and requires a lot of care. We are grateful for you Sharon!!

Season has worked for us for eight months and does the right thing! Recently, over the holidays, we had her do a respite client. This client was located on the Las Vegas strip in a hotel. He flew in from the east coast and needed care as he is a paraplegic and in a wheelchair. We needed a caregiver that we knew would be reliable, trustworthy and skilled. Season did an amazing job with him and we are grateful for her reliability and willingness to work so hard. We knew she was trustworthy to represent Essential Care very well. She is working now with a client that gets very anxious and confused at times. She is very kind in reassuring him things are ok and can calm him down.

Thank you Sharon and Season for doing the right thing!!!
